

CE Credits Online and Whiteside ROE #55 are pleased to provide university-accredited, CPDU approved online professional development courses that focus on improving teaching and student achievement.

What other Illinois Teachers are saying:

- "I really have enjoyed all the online classes that I have taken. I really believe they have helped make me a better teacher."
- "I want to recommend this course to all my co-workers. This class finally helped to see how to look at my students as part of a classroom of students that could all benefit from differentiating instruction."
- "This course has profoundly affected me professionally."

Earn CPDUs or University Credits From the Comfort of Your Own Home
